Serious incident in the parish

Dear All

In the late afternoon of Tuesday (21st Feb) a child in the parish was approached in an aggressive manner by a motorbike rider. The motorbike rider was a man in full leathers and wearing a full face helmet on what is believed to be a 09 reg orange bike. The man informed the child he was 'a patroller' and spoke in an aggressive and threatening manner, leaving the child very shaken, scared and frightened.

The police and Chulmleigh Academy will be informed of this matter. Should anyone have any details, please can they let me know and I'll forward them on to the suitable persons. Incidences of this nature are not acceptable, especially where children are involved.

Yours faithfully
