

Farm Equipment Stolen - Callington

Appeal for information

Police investigating reports of the theft of a significant amount of farm equipment from a rural area near Callington on Saturday 12 November are appealing for any information to help with their enquiries.

It was reported that a large quantity of sheep handling equipment and steel gates, worth £10,000, was taken in the early hours of the morning in the Beals Mill area of Callington.

It is thought that a large vehicle or a van and trailer would have been used to carry out the theft, which took place in a remote, rural location.

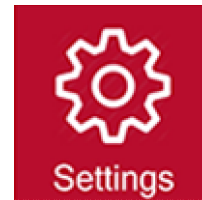

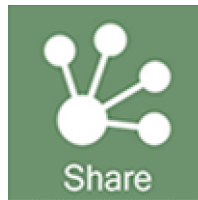

If you witnessed the incident, have any information or dashcam footage that could help the police with their enquiries, please email 101@dc.police.uk or call 101, quoting CR/100947/21.

Alternatively, information can be passed anonymously to Crimestoppers on 0800 555111 or via the charity's website at www.crimestoppers-uk.org
